Training workshop

The Authentic Leader !

This interactive training course is specifically designed for BCDI 2030 Scholars who wish to develop their leadership and entrepreneurship skills.

This training consists of five two hour sessions. Please find the dates and times on our platform [Connect](#).

Session 1 invites participants to discover their leadership style and finding their authentic voice

Session 2 helps participants develop practical and collaborative communication strategies that support effective leadership in diverse cultural, professional and regional contexts

Session 3 prepares participants to build a work environment based on trust and respect

Session 4 enables developing a practical approach to supporting change and managing conflicts with wisdom and leadership

Session 5 focuses on women's perspectives on organizational management while raising awareness of their importance in this field. *Please note that this session is open to all participants.*

Why participate ?

Identify your core leadership characteristics

Develop practical tools and a practical approach to build an effective leadership

Access to helpful resources and documents that will guide your initiatives.
