Training workshop

For an effective job search!

Education and training can help strengthen your employability, but they're only part of the equation. Knowing how to present your skills, build your network, navigate the job market and make the most of available tools can make all the difference in your job search.

This interactive training program is designed specifically for BCDI 2030 Scholars to help you successfully enter or re-enter the labour market in your home country.

Through three two-hour online sessions, offered in English and French, you will:

- **Develop** an effective job-search strategy.
- **Strengthen** your résumé and cover letter.
- **Learn** how to use AI tools to support your job search.
- **Build** your LinkedIn presence and explore the hidden job market.

Why participate ?

Build practical job-search skills.

Boost your confidence and readiness for the job market.

Learn how to leverage your networks and uncover opportunities.

Strengthen your interview skills and responses.

Visit the BCDI 2030 Scholars' platform, [Connect](#) to learn about upcoming sessions and register.
